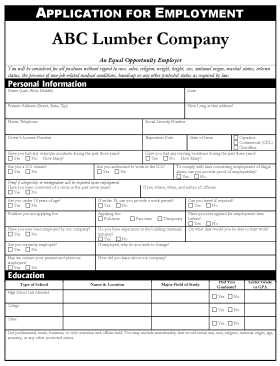
PROTECT YOUR BUSINESS & LIMIT YOUR LIABILITY

A U.S. Supreme Court case (Circuit City vs. Adams) allows you, as an employer, the ability to limit all employment disputes to arbitration (other than worker's compensation claims). Additionally, a Michigan case (Timko vs. Oakwood Custom Coating) allows for the establishment of a 180 day "statute of limitations" period.



APPLICATION FOR EMPLOYMENT

ABC Lumber Company

An Equal Opportunity Employer

I/we will be considered for all positions without regard to race, color, religion, weight, height, sex, national origin, marital status, retirees status, the presence of non-job-related medical conditions, handicap or any other protected status as required by law.

Personal Information

Education

MLBMA's Employment Applications incorporate the proper language for both limitations.

Truck Driver information is now included as part of the Employment Application as well.

Applications can be customized with your business name.
