

# The Forklift and You

## *Operator Training Program for the Lumber & Building Materials Industry*

The National Lumber and Building Material Dealers Association (NLBMDA) developed the Forklift and You Operating and Training Program especially for the lumber and building materials industry.

Meets current OSHA and amended MIOSHA Part 21 Industrial Truck Standard requirements for job-specific training for the lumber and building materials industry.

### **The Complete Forklift and You Package Includes:**

Award winning 45-minute video or available on DVD, which demonstrates all aspects of forklift operation showing forklifts from 8 different manufactures and three fuel types. It is the only industry-specific video of its kind-and the only one that demonstrates truck mountable forklift operation.

### **Trainer's Guide Only**

Walks the company owner/manager and trainer step-by-step through the process of conducting training on-site using your own staff expertise.

### **Operator Package**

Includes 5-operator workbooks, exams, ID cards, and certificates of completion.

### **Certificates and ID Card Package**

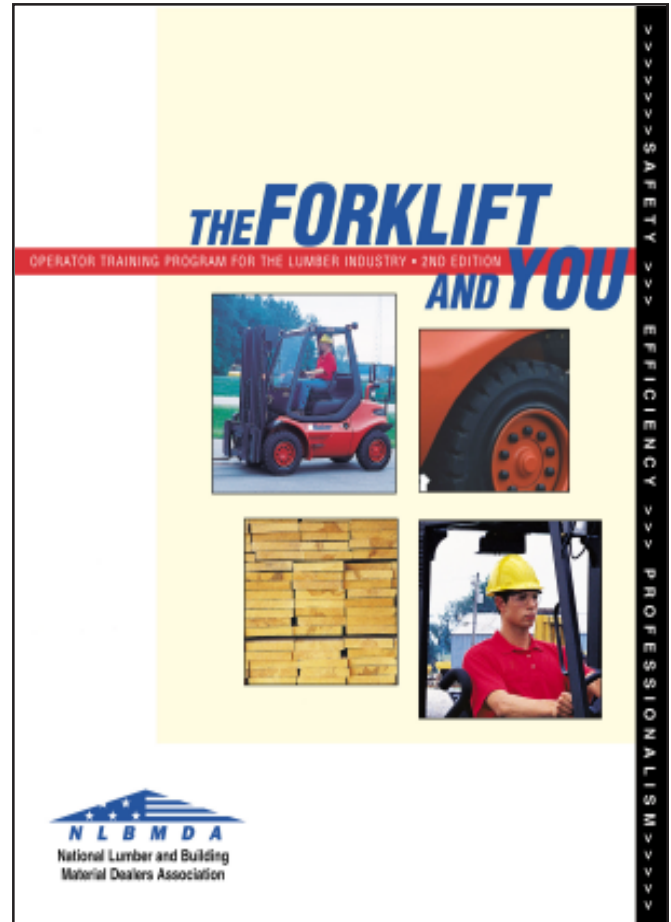

12-certificates and ID cards per package.

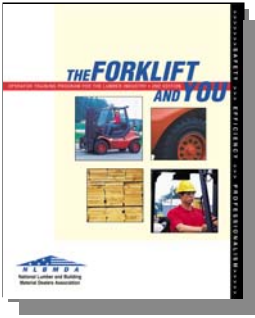

### **Four Color Poster**

Helps you remind operators of the training they received, and an Authorized Poster makes it easy for you to track training conducted and comply with MIOSHA documentation requirements.
