

Basic Skills Test™

Verify a candidate's verbal and math skills. Verbal and quantitative tests quickly and accurately measure skills required for nearly every occupation. When employees do not have the math and language abilities required for their jobs, they may be less productive, less trainable, and more likely to make costly mistakes.

50 - Verbal Questions
45 - Math Questions

PRODUCT	QTY	MEMBER	NON-MEMBER
WBST-1	1-9	\$11.75 each	\$13.80 each
WBST-1	10+	\$8.50 each	\$10.50 each

Recommended for those candidates whose education does not exceed high school completion.

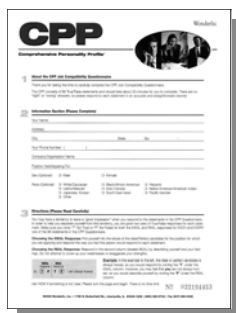

Employee Reliability Inventory™

Unreliable on-the-job behavior is both expensive and pervasive. Employee theft, accidents, and turnover are often the result of hiring the wrong person. The Employee Reliability Inventory Test identifies applicants who are productive, reliable job applicants.

81 - True/False Questions

Recommended for all position levels.
