These providers are independent contractors with Eye Care Alliance (ECA) and not employees of DeltaVision. The provider is solely responsible for managing the provider-patient relationship. Every effort has been made to prepare this directory accurately, but DeltaVision assumes no responsibility for possible mistakes or omissions. If any questions should arise concerning the status of an individual provider, it is suggested that the information be obtained directly from that provider rather than from this directory. This directory was prepared on July 5, 2006.

These providers are independent contractors with Eye Care Alliance (ECA) and not employees of DeltaVision. The provider is solely responsible for managing the provider-patient relationship. Every effort has been made to prepare this directory accurately, but DeltaVision assumes no responsibility for possible mistakes or omissions. If any questions should arise concerning the status of an individual provider, it is suggested that the information be obtained directly from that provider rather than from this directory. These providers are independent contractors with Eye Care Alliance (ECA) and not employees of DeltaVision. The provider is solely responsible for managing the provider-patient relationship. Every effort has been made to prepare this directory accurately, but DeltaVision assumes no responsibility for possible mistakes or omissions. If any questions should arise concerning the status of an individual provider, it is suggested that the information be obtained directly from that provider rather than from this directory. These providers are independent contractors with Eye Care Alliance (ECA) and not employees of DeltaVision. The provider is solely responsible for managing the provider-patient relationship. Every effort has been made to prepare this directory accurately, but DeltaVision assumes no responsibility for possible mistakes or omissions. If any questions should arise concerning the status of an individual provider, it is suggested that the information be obtained directly from that provider rather than from this directory. This directory was prepared on July 5, 2006.
